About Me

The idea is everything. Creative should be smart, bold and customer driven.

I'm graphic designer, with over 8+ years of experience. I've worked on a variety of projects for different businesses, both large and small. I specialise in eye-catching print design but also work on digital projects, social media marketing, website design and development projects. I'm accustomed to a fast-paced environment, team and individual projects with experience in full project life cycle from design to implementation to integration. I maintain a healthy balance between functionality and visual impact in all my work.

What I do!
