

Ajinkya Bhilare

Full Stack Web-Developer

8082451323 ajinkya0022@gmail.com

ABOUT ME

Highly motivated Web Developer with experience in designing and implementing responsive websites and applications. Skilled in front-end development languages including HTML5, CSS3, JavaScript, and React-JS. Strong background in user experience design, optimizing website functionality and improving website performance.

PORTFOLIO

PROJECTS

Twitter | Social Media Website

- Designed and implemented custom functionality to enhance the website's functionality and user engagement. Conducted rigorous testing and debugging to ensure the project was fully functional and error-free.

Stack Overflow | Code Sharing Platform

- Features like login/logout using JWT tokens, Add a post, remove a post, Upvote a post & delete post was implemented successfully. Utilized Stack Overflow to efficiently troubleshoot technical issues encountered during development, ensuring timely completion of the project.

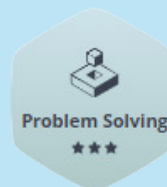

Ecommerce | Retail Shopping Website

- Successfully developed and deployed the ecommerce website, resulting in a significant increase in customer engagement and satisfaction.
- Created custom REST API for products

CERTIFICATIONS

- Advance React-JS**
- HTML /CSS/ JAVASCRIPT**

EXPERTISE

- React-JS
- Next-JS
- Tailwind CSS
- Express-Js
- REST API
- MongoDB
- Redux & Redux Toolkit
- Node Package Manager
- Postman
- SCSS & Bootstrap
- Javascript
- Material UI

EXPERIENCE

Chief Educator of Mathematics at RANK1

Jun 2015 - Mar 2023

- Prepared comprehensive content and lesson plans for tutoring students in Mathematics, focusing on topics such as Algebra, Calculus, Probability, Statistics, and Graphs.
- Utilized innovative teaching methods and techniques to enhance student engagement and understanding, which were later adopted by other tutors across the curriculum.
- Mentored and guided students in their studies and preparations for competitive exams, providing them with personalized attention and support.
- Conducted regular assessments and tests to evaluate student progress and identify areas for improvement.
- Worked closely with students to develop personalized study plans, focusing on their individual strengths and weaknesses.
- Collaborated with fellow tutors and faculty members to design and implement effective teaching strategies and improve overall student outcomes.
- Increased grade A results for Mathematics by 40%, reflecting the effectiveness of the teaching methods and approach used.
- Established a reputation as a highly skilled and dedicated instructor, becoming the go-to resource for covering major topics in Mathematics for all batches.
- Used real-world examples and applications to make Mathematics more engaging and relevant to students' lives.
- Encouraged students to think critically and solve problems independently, fostering a growth mindset and a love for learning.
- Provided regular feedback and support to students, offering constructive criticism and suggestions for improvement.
- Fostered a positive and supportive learning environment, building strong relationships with students and encouraging teamwork and collaboration.
